ART MATERIALS CERTIFICATION to ASTM D-4236 & CFR1500.14(b)(8) (LHAMA) FOR CHRONIC HAZARDS AND COMPLIANCE WITH FEDEREAAL HAZARDOUS SUBSTANCE ACT (FHSA) FOR ACUTE HAZARDS.

Dear Customer,

Esprit Impressions is pleased to announce that **ARTESPRIX™ PERMANENT TRANSFER MARKERS** have been certified to be in compliance with regulations cited above. The review of the markers was performed in a manner consistent with the Consumer Product Safety Commission (CPSC) guidelines found in 16CFR1500.135. The CPSC adheres to the product safety requirement intended to be used for children's product, and the procedures and regulations followed have been filed with the CPSC.

In order to provide a high degree of assurance that our product, when used as intended, is safe for the end consumer, stringent testing was performed. The product has been classified as follows:

- Not Toxic Acute
- Not a Skin Irritant
- Not an Eye Irritant
- Not Corrosive
- Not a Strong Sensitizer
- Not Toxic Chronic

ARTESPRIX™ PERMANENT TRANSFER MARKERS have been approved for use by children **ages 9+** and adult supervision is required when using a heat source to transfer any drawn images.

When using the product, the following warnings should be adhered to:

CAUTION! REQUIRES HEAT FOR TRANSFER

▲ **WARNING:** Choking Hazard – Small Parts. Not intended for children under 3 years.

Ages 9+ with adult supervision.

Should you have any questions, please feel free to contact me.

Sincerely,
Tonya Tremitiere
VP Esprit Impressions
